

THE MEMBER ENGAGEMENT PRIORITIZATION PROGRAM

Why Patient Better?

- ✓ Strengthen Member Engagement & Retention
- ✓ Track & Document Member Compliance
- ✓ Optimize Outcomes & Plan Performance
- ✓ Improve CMS Star Ratings

How Our Program Works:

Our program teaches members how to navigate healthcare efficiently using guided workshops and templates. Members learn to track medications, document screenings, and prepare for appointments, reducing frustration and improving engagement. They also gain skills to use patient portals effectively, ensuring better communication with providers. For insurers, Patient Better provides real-time compliance tracking, supporting CMS Star Rating optimization and plan performance.
